A lively meeting took place on 24th November where we were addressed by Gary Shawyer, a Youth Worker engaged in contacting local youths to help understand their problems, wishes and requirements. Gary plans a graffiti workshop and a visit to a fire station amongst other activities. He listened to the members there and while accepting their concerns tried to present the other side of the problem. We think it is accepted that there are no facilities on the estate to engage them and the Association is working with Gary and also with a team of students from the University to help the difficult situation. The local Police Officer, PC Brian Goodall, was able to give some input and speak with residents about particular problems.

Youth Clubs might seem a good option to some of us but they are not the easy answer, open only some of the time and not accessible or attractive to all.

The progress of the Jersey Close development was raised and some of the complications faced on the site were explained.

SARNIA COURT

We understand that Beryl Avery and June Wooders have resigned from the committee after many years and that the Association is now being dissolved. LOWER BROWNHILL GARDEN

The Opening Party planned for Halloween was cancelled as it was considered too wet underfoot, it did turn out to be a very rainy evening. A new date will be set in the New Year. Residents intend to plant bulbs for the spring. If you have any helpful suggestions contact Sylvie O'Halloran.

ELECTRICITY CUTS

Many of you will already have been informed that there will be a need to disconnect the supply for limited periods some days before Christmas while new services are set up around the development at Jersey Close. We are assured that these will be as brief as possible but advise you all to make allowances. You will need to adjust time controlled equipment. They should be short enough not to affect deep freezes etc but try to keep the doors shut while not powered.
