THE NEWSLETTER OF CHANNEL ISLES & DISTRICT
TENANTS & RESIDENTS ASSOCIATION

ISSUE 12

July 2006

Next open meeting is on Thursday 27th July at Rozel Court Community Room 7.00pm.

We have been given details of the new Playground in Jersey Close, come along and look at and comment on the plans and photos of the equipment to be installed.

LIGHTING

After the last meeting there were electricians all over the Estate, many that have been out for some time are now working. We do a regular check and report. If you have a problem light come along and bring it up at the meeting or phone it in or contact one of the committee.

SARNIA COURT

Shrubs have been bought and we are looking for the chance to get them planted, the drought isn't helping!

We recently phoned the police about a car in the car park which had not been moved for some time, they quickly checked the registration, found it was stolen and it was picked up within the hour. So do call them with the registration No if you think there is a suspicious vehicle around. All incidents even minor should be reported; only by knowing this will we get better surveillance on the Estate

*If you borrow money, borrow it from a pessimist
— they never expect it back!*

YOUTH WORK ON THE ESTATE

The youth project has a summer programme in place for young people on the project. This will include forest falconry giving the young people experience of handling birds of prey; Football coaching from ex England and Saints Academy coach Mark Chamberlain; a trip to Thorpe Park towards the end of the summer term; and a cinema trip. Unfortunately due to group numbers both the Night orienteering walk and the Olympic weekend had to be cancelled. But both activities will be rescheduled for later in the year. The project will hopefully support the community garden at Sarnia court throughout the summer a date is yet to be confirmed. I am always keen to receive feedback from parents or residents from the estate. Please feel free to express any concerns or issues to Paul. I hope there still continues harmony on the estate and that the youth project still has an impact on the community. *Gary project leader*

I never lend money when there is a "y" in the day.

LOWER BROWNHILL GARDEN

Work has continued on the paving, it will be completed when we get some more slabs from Jersey close as they complete the landscaping. Richard Downes, Warden has some replacement fence panels. Grass cutting will be carried out and the garden looks quite good. We are planning a Halloween Do as last years was cancelled. Watch this space!

COMMITTEE MEMBERS

Paul Hennessey—Chair
Podge Eldridge —Secretary
Gary Waters—Treasurer
Alison Holdaway
Mike Holder

At the Annual General Meeting in September the constitution was changed to make Open Meetings every two months. They are on the fourth Thursday in the months of January, March, May, July, September (AGM) and November. Committee will meet informally before each to set the Agenda and revue the situation.

COMMITTEE

We have had verbal resignations from Sylvie O'Halloran; Edward Lang and Karen Hunt. Thanks to them for their support over the years and we hope they keep their interest. So we are looking for new committee members, it does not need a lot of time, mainly to keep us on the right lines, perhaps help with Newsletter distribution and be an earpiece for the residents to bring items to our attention

COUNCILLOR DENNIS HARRYMAN

Holds Surgeries where you can bring any items you think he can help with, they are at Millbrook School, Green Lane 10.30-12.00 on the third Saturday of each month and in Sarnia Court at 2.00 on the first Wednesday in the month.

WHEELIE BINS

Quite a few of them seem to go missing round the estate, if there is a house number on them it is easier to get them back to the right place. If you find this difficult let us know as we can get new stickers. We are looking at the possibility of visiting a recycling centre to better understand what problems are faced with the domestic recycling bins or the contents of them, it seems rather complex which plastics are suitable.

FESTIVAL SO16

Activities will be running each weekday from 31 July - 25 August with indoor events at All Saints Hall, Kendall Avenue and outdoor at Mansel Park or Green Park. A final Fun Day will take place on 27 August at Mansel Park. More details are available from 80399894 or leaflets will be given out at most schools

PRINTING

Last issue we credited the printing to the TPU at Southbrook Rise. In fact it was printed by RISE, a Community Enterprise which has replaced Outer Shirley Regeneration, you would have noticed the much better photos, but it was too expensive to do every issue. They build and supply computers to order and provide training. To find out more contact us.

This time we have used a photocopier at Relate Offices in Kings Park Road, on paper given by TPU, and have given them a donation towards cost.

NEW PLAY AREA AT JERSEY CLOSE

We have been given details of the proposed equipment to be installed in the new Play Park. If this is of interest to you come to the meeting on 27th where you can see more detail and give your comments.

If you think money can't buy happiness you are shopping in the wrong places.

ROZEL COURT KITCHEN

The new kitchen has now been fitted and enough cash left to purchase extras like a microwave oven and pots and pans. Soon there will be an opening meal and we hope that residents will make good use of it.
