SUMMER EVENT 2009

We have now received funding and are working in earnest on the arrangements. We have paid deposits on equipment including a mobile climbing wall; Gladiator Duel and Sumo wrestling, The committee are meeting to look at how it will proceed. Keep an eye on the website www.cidtra.com

We are asking for help from volunteers so do come forward if you are interested. We are looking for people who might raise plants for a stall and are going to start sunflowers off for a children's competition.

There will be a tombola stall so looking for items.

So that the time looking after stalls can be shared we hope that some of you will be willing to take a turn.

DOG WALKING

Do you have such a busy life that you find it difficult to give your dog as much exercise as you (or your dog) would like to or ought to? Many of us do. A resident recently said that they would be pleased to do it on a regular basis. If this would be a help to you contact us and we will put you in touch to see if you can work out a plan with them.

GRANTS

We have been successful in getting a grant from Hampshire and Isles of Wight Community Foundation. At a recent meeting at Southampton Voluntary Services we were told that there is a considerably sum to be distributed to projects in the Southampton area and they are keen to hear from any organisation which has a project and are seeking funding. It needs to be distributed by June or it may have to be returned to the Government. If you know of any such projects please pass on details.

It is a Grass Roots Grant, details can be found on the web site www.hantscf.org.uk/grassroots where you will find guidance notes and an application form, or e-mail infograssroots@hantscf.org.uk

Usually there is a quick return.

GOOD LUCK

At the last meeting we heard from a parent on the Estate about the problems she faced looking after a child with ADHD and sympathy was expressed by many residents there. She has hopes of starting a support group for parents with similar experiences but has not been able to get any movement yet. We will keep our hopes up and wish her all the best.

On a beautiful summer's day, two American tourists were driving through Wales . At Llanfairpwllgwyngyllgogerychwyrndrobwylllantysiliogogoch they stopped for lunch, and one of the tourists asked the waitress, "Before we order, I wonder if you could settle an argument for us? Can you pronounce where we are, very, very, very slowly?"

The girl leaned over and said, "Burr gurr king!"

RECYCLING BINS

We have seen several bins around the Estate which have not been emptied and marked as contaminated.

Do you realise why?

It probably is that there are items in it which are not recyclable. You should not put things in plastic bags, just tip them in loose. We have also seen things like microwave ovens and other hardware. Plastic wrapping or food containers are other items which should go in the refuse bin.

Do yourself a favour and look at the list of acceptable items!
