

We are trying to economise on printing by not including the regular items giving contact details. They are all available through the website www.cidtra.btik.com

We are aware that not everyone has the ability to get this but believe most homes have IT facilities either themselves, at work or through family or friends. If not or if preferred contact a committee member or phone 80391131.

The recent clean up in Jersey Close has made a big improvement to the appearance of the area. We are still awaiting the official adoption by SCC after which we hope there will be more attention to the play area etc.

WEYMOUTH COACH TRIP

Still a few seats left for the trip, but need to get in touch right away.

HAVE A GO DAY

We took part in the event at Lordshill Community Centre and ran a Play Your Cards Right game. It entertained a few and gave us the

opportunity of speaking to people to let them know that we are about.

REDBRIDGE LANE

Many of you will have received flyers from Barker-Mill Estates inviting you to an exhibition at Nursling Village Hall on 16th & 17th July, where they hope to convince you to support the proposals. Please go along if you have any interest in this matter, particularly if you object to the green gap being removed. After that there is going to be an appeal heard at Crossfield Hall, Romsey in August. Seven days have been allocated to hear it, can't understand what new proposals will be brought and this after they have been rejected outright on two occasions!

OPEN MEETINGS

We hold meetings every two months in the Community Room at Rozel Court 7.00pm on the fourth Thursday of alternate months, starting in January. This newsletter is delivered around the estate to remind residents beforehand.

We know meetings are not always popular, but try to come as the committee would really like to hear what you think could be done to improve life on the Estate. Can't promise but we can put ideas forward.

WEB SITE

Paul Langler is working hard to revamp the site, it will be easier to use and we will have more control of items. The address change will soon be made known.

What is happening about the Schools? Councillors may be able to give us more definite details at the meeting.

WORLD CUP

Now we have a new world champion, do you all take down the flags?

I hear that England are arranging to play Iceland. If that goes well they will meet Asda, Tesco, Sainsburys and Morrisons.
