

We are economising on printing by not including the regular items giving contact details. They are all available through the website [www.cidtra.co.uk](http://www.cidtra.co.uk)

We are aware that not everyone has the ability to get this but believe most homes have IT facilities either themselves, at work or through family or friends. If not or if preferred contact a committee member or phone 80391131.

### **WEBSITE COMPETITION**

Paul Langler has been working hard updating the web site . Captions are being updated to all photos, and there is a competition where you can win a £10 voucher for Sainsbury's by answering a few simple questions, all answers are available on the site. When you visit please give us some feedback and tell us what you think/would like to see there.

to enter competition see back page***

## COACH TRIP TO WEYMOUTH

In August we took a group of residents to Weymouth for the day as a subsidised outing. The weather was kind and all reported a thoroughly enjoyable day.

We have arranged another trip, this time to Morton in Marsh for their market day and a tour around the Cotswold area. Afraid this will not be subject to a discount as before but we believe it is competitive with regular prices and it leaves and returns to the estate.

There are still a few seats left but contact us soon, Fay on 80737097.

## FATHER CHRISTMAS AT SARNIA

Last years visit proved very popular and we will be arranging a return for the Old Gentleman nearer the time.

## MARWELL ZOO

We had hoped to arrange something for families but it is proving expensive. However we can subsidise a trip to Marwell Zoo on 28th October, half term. As a group outing we can arrange a discount and reduce the price using our funds. We need to know soon if residents are interested so that we can firm up the booking. **1st come 1st served as only 36 seats**

The cost per person will be £15 (includes the coach and entry) based on 36 seats being booked.

Again please contact us as soon as possible Paul on 80391131 or Fay on 80737097 leave a message.
