'MITCHELL'S WINGS'

By Johnny Carrington with music and lyrics by Mark Wheeler and Paul Ibbott

The Maskers Theatre Company with Oasis Youth Theatre will be performing this new play about the life and work of R J Mitchell, the creator of The Spitfire. Using testimonies and multi media the play tells the story of The Spitfire, the nation's most famous aeroplane, and, of those whose lives were touched by it.

Performances will take place in March 2011 at various locations in and around Southampton

The production will coincide with the 75th anniversary of the first flight of The Spitfire from Southampton Airport.

To receive performances dates add your details to the Mitchell's Wings page at www.maskers.org.uk or sign up on facebook.

The play above will be performed at Oasis Academy. When we know definite dates it will appear on the website and in our next newsletter. No doubt some of our local young people will be involved.

Father Christmas at Rozel Court!

We were pleased to see a great response to our event. All the gifts were distributed, mulled wine and other goodies disappeared, there was a queue for the face painting but all were seen to. Very pleased to see some new faces.

We took quite a few photos but unfortunately did not get all the addresses so we still have some. If you had a photo taken please get in touch with us and leave your address. 80391131.
