

KITE FESTIVAL

Last year it was thought it might be the end of the line with the building of the Oasis Academy on Five Acres but we are pleased to hear that it is going ahead on 18/19 June.

We have been asked to take part again in the Kite workshop, which is a lot of fun, and any residents who are interested in joining us will be very welcome

There should be enough space for it in future. The School building work is proceeding and we will be interested to follow it's progress.

This a reminder we hope to see you there, it could be the last year?

will update us on the progress of the school
building on Five Acres**

**Gary Waters will lead a discussion on
Fluoridation**

Fun Day event in August

All ward councillors and the Police are invited

Free refreshments and Raffle

IT'S A KNOCKOUT FAMILY FUN DAY

We have put in a grant application to Community Chest (SCC) to hold an event on 14th August on Five Acres.

It will not be as grand as the 40 year celebration bash but we hope that residents will get involved.

Based loosely on a football training course where teams compete through obstacles, we ask teams to complete the course in the fastest time.

Handicaps to aid youngsters and family groups should give a more level playing field.

Final details are still being worked on. An inflatable football pitch has been looked into.

We have dedicated help from Sports Development and hope to get contributions from Oasis Fitness Suite; Down to Earth Farm; Queens Keep Football Club; Face painting and Scouts.

IF YOU ARE INTERESTED IN GETTING INVOLVED COME TO THE MEETING ON 26TH OR CONTACT THE COMMITTEE
