

## REFUSE AND RECYCLING

It has been difficult recently and despite whether you support the workers or not there are things you can do to make the situation more bearable. This applies at any time.

Wash out cans and other containers to avoid smells that attract flies.

If you are able to take refuse to the depot at Albert Road it will be the best solution: however, that is not possible for all.

Make better use of your recycling bin by crushing boxes, cans and plastic bottles, surprising how much room it makes. Don't forget there should be no plastic bags in there and remove plastic bottle tops.

The recycling machines at Tesco in Trebourba Way take cans and bottles. If you have a Tesco card you can earn points for aluminium cans and aerosols. Paper and clothes can be disposed of there also.

## **FREE TO ENTER FAMILY FUN DAY**

We have received a grant from Community Chest (SCC) to hold an event on 21st August on Five Acres. *(It was changed from the 14th as it clashed with the Sky Ride event).*

It will not be as grand as the 40 year celebration bash but we hope that residents will get involved.

Based loosely on a football training course where teams compete through obstacles, we ask teams of four to complete the course in the fastest time.

Handicaps to aid youngsters and family groups should give a more level playing field.

Final details are still being worked on.

An inflatable football pitch has been booked.

Sports Development have dedicated help and we hope to get contributions from Oasis Fitness Suite; Down to Earth Farm; Queens Keep Football Club; Face painting by warden Annette .

**IF YOU ARE INTERESTED IN GETTING INVOLVED COME TO THE MEETING ON 28TH OR CONTACT THE COMMITTEE**
