

## REFUSE AND RECYCLING

Action Line say that collections should be done fortnightly for refuse and monthly for recycling. They cannot guarantee that they will be done on the due day, there will be no green waste collections at present, for current information call Actionline 0800 5191919. Refuse can still be taken to Albert Road Depot. Crushing bottles and cans saves much room and also Tesco recycling earns points!

Bric-a-brac, Tombola, raffle and games stalls were well used. Free face painting was in high demand. There are many photos on the website and we have printed a report which will be available at the AGM on 22nd.

Each year we revisit the constitution to see if it is still applicable. We wish to make minor changes to it and this will be explained and presented for members' approval at the AGM.
